Illicit Tobacco Control in Cumbria

Smoking and tobacco control is a recognised problem at both a Cumbrian and a regional/national level, and this CSP Focus On event provides an opportunity for Cumbria to lead the way and establish itself as a pathfinder on this difficult issue

We will reflect upon recent activity in tackling the problem of smoking in Cumbria, and looks to refresh the tobacco action plan and identify ways forward in terms of tobacco control in Cumbria.

All CSP partners will be welcome to contribute their ideas and suggestions to this event.

The speakers at this event include:

- David Wiggins, North England Strategic Programme Manager (Illicit Tobacco)
- Graham Forbes, HMRC Special Investigations Manager (North West)

A full programme will be circulated approximately two weeks before the event.

When: 20 May 2010
Where: Castle Green Hotel, Kendal
Time: 9.30am—12.15pm
Coffee will be available from 9am

To book your place at this event please email your name, organisation, position and any special requirements you may have to csp@cumbriacc.gov.uk by Friday 14 May.
